

Healthcare Assistants

MAKE A DIFFERENCE – A CAREER IN NURSING HOMES

- Do you want to work in a rewarding environment?
- Are you a team player?
- Are you caring, trustworthy & reliable?
- Would you like an opportunity to work closely with older people?

Healthcare Assistants can benefit from:

- Choice of permanent, part-time, flexible/casual shifts to suit your circumstances, rostered/scheduled in advance.
- Compatible with pursuing QQI care skills, or while studying third level nursing or allied health professions.
- Shift patterns typically 4, 8 & 12 hours.

Nursing Homes are highly regulated professional settings which will allow Healthcare Assistants develop key skills and work in a rewarding environment making the lives of Older People comfortable and fulfilling.
